We would love for you to join us today as we take a trip to **Nashville, TN**. There will be lots of fun and games on the bus to keep you entertained until we reach **Chaffin's Barn Dinner Theater**. Once there you will enjoy a scrumptious **buffet** complete with yummy dessert. Just remember not to eat so much it hurts when you laugh! Settle in and enjoy, **Barefoot in the Park**.

This classic romantic comedy set in the 1960's tells the story of conservative young lawyer, Paul Bratter and his free – spirited newlywed bride, Corie. The comedy follows the young couple as they move from the giddy joy of a six day honeymoon at the Plaza, into the crazy reality of starting married life in a fifth-floor walkup in New York City. Of course it doesn't help that the apartment is absolutely bare of furniture, the skylight leaks and there isn't room for a double bed.

After the show, we'll have a relaxing, but fun trip back home.
